CALL FOR PROPOSALS UNDER DHR-CENTRAL SECTOR SCHEME OF MODEL RURAL HEALTH RESEARCH UNIT, ASSAM

About MRHRU

Model Rural Health Research Unit (MRHRU) is one of the umbrella schemes established under the aegis of Department of Health Research (DHR), Ministry of Health & Family Welfare, Govt. of India. MRHRUs were set up with a focus on developing infrastructure for promotion of health research across the country. MRHRU-Assam is one among the 34 MRHRUs in the country. MRHRU-Assam is located in Chabua and is mentored by Indian Council of Medical Research (ICMR)-Regional Medical Research Centre Northeast (RMRCNE), Dibrugarh. The MRHRU platform has the provision for undertaking research that is relevant and beneficial to the local health care needs. To support the research activities, proposals are being invited from interested persons on any medical/ health issue of regional or national importance.

Criteria for project submission:

1. Any regular faculty/scientist working in state government medical facilities, hospitals, rural public health training centres, research institutes, universities are eligible to apply.
2. Research proposals can be descriptive, observational, epidemiological, qualitative studies, implementation research on communicable diseases, non-communicable diseases, maternal and child health, adolescent health, environmental and occupational health, emerging pathogens and any other domains that are primarily focused on rural health.
3. Proposal should be submitted in the prescribed format duly forwarded by the head of the department/institute.
4. The total project budget should not exceed 6 lakhs. Funds will be released on a half-yearly basis.
5. Duration of the project should be limited to 12 months.
6. Priority will be given to projects focusing on rural health.
7. Proposals should ideally be community-based and study area should be within the state of Assam.

Selection process

The proposal will be reviewed by the DHR-MRHRU-Local Research Advisory Committee (LRAC) constituted by the mentor institute-ICMR-RMRCNE and DHR. Projects will be evaluated based on novelty, methodology, relevance, feasibility, appropriate budget with

justification etc. Preference will be given to the suitability of the proposal focusing on local health issues and their implications on policy and practice.

Proposal format
